## PRESIDENT'S CORNER

### DO NOT MISS THIS EVENT

We trust you all had a wonderful 4th of July holiday and celebrated the independence of our country. We certainly appreciate all of the HERO's that gave the ultimate sacrifice for their country. Our brothers and sisters in arms will always be remembered.

With this being said, we are proud to announce that we will have an opportunity

to watch the showing of a fantastic movie

## **TO WHAT REMAINS**

"To What Remains" is a stirring, feature-length documentary that follows Project Recover's search for the more than 80,000 Americans missing in action since World War II.

Meet the MIAs and their families. Their service and enduring sacrifice are the motivation behind every mission.

Get to know Lt. R. R. Houle, the pilot of a TBM Avenger, and his great-nephew, Doug Berglund. Lt. Houle was Ensign George H. W. Bush's commanding officer and good friend. George Bush always hoped he'd be able to help bring his friend home.

Catch the smile of ARM3c Walter Mintus, the radioman for Lt. Houle. His nephews, now in their 80's still remember their "Uncle Bert " with love and affection.

Meet SSgt. Jimmie Doyle and his son, Tommy, who dove on Dad's crash site more than six decades later.

Jimmie Doyle flew with the 307th Bombardment Group and was recovered, and laid to rest in Arlington National Cemetery right here in the Washington D.C. area.

We will be showing this movie event upon the return of the group from the monument tours on Friday August 19th, 2022. The movie will start at approximately 1:30 pm. Your lunch box will be waiting for you back at the hotel if you ordered one and we will have more snacks available for those who did not get a box lunch.

This event is open to everyone. We would like to have anyone attending outside of the 307th group to contact me directly with an email or phone call so I can keep track of them attending.

Thank you to Project Recover and Imperative Entertainment for making this event possible.

Together, we are #KeepingAmericasPromise.

Sincerely

Jim Walsh - MBA
