

May 2017

Hello fellow 307th members,

I apologize for the lack of newsletters of late. The club has underwent some personnel changes and we ask for your forgiveness as we initiate some changes and move our club forward.

May is when we think of spring flowers, our Mothers, kids getting out of school (in some states) and to some Memorial Day is just a 4 day weekend.

To me it's a time to remember those that fought and gave their life so we can live free. It's about thanking those who have served & their families for the sacrifices they made so we enjoy life everyday with our loved ones.

So a big THANK YOU to all our WWII 307th BG (HV) Veterans, both living and deceased. You truly are our heroes!

To all other veterans that have served we say thank you for carrying on and for your brave service. To the spouses or parents, Thank you for the sacrifices you have made without question for your veteran, to the children who sometimes grew up without a parent because he gave his life to support freedom or for the children who spent long periods without seeing their parent.

To our current brothers and sisters in arms, the 307th Bomb Wing (Long Rangers) we wish you a safe and happy memorial day and thank you for carrying on the proud name of the 307th!

Please contact us with your pictures or stories of your families and we will post them on Facebook and on our website. Also, each month we will select a story at random to add to our newsletter.

We are looking forward to hearing from you soon!

Yours sincerely,

Debbie Drake
